CIRCULAR TO THE PARENTS

To _____

Dear Parents,

Greetings from Montfort! These lines come to greet you, as we come to the end of the Academic Session 2020 -21. We all have had a very tough time, during the major part of the academic year. But we have been able to handle it remarkably well, and come to the end of the year with a certain sense of achievement and satisfaction. I would like to thank each one of you for your cooperation and understanding. Let me take this opportunity to keep you informed of the following important matters:

1. **CBSE- AISSE 2021** (Board Exam): The Board Exam for our Class X students will begin on 6th May 2021. There are 73 candidates appearing for the exam, at Kendriya Vidyalaya, New Bongaigaon. The Revised Date Sheet is already put up on the Notice Board. May I request all the parents to motivate their wards to come out successfully, with very good performances. I too would be visiting as many houses as possible, to see how well the students are preparing for the exam.
2. **Academic Activities:** The Pandemic had put a lot of restrictions on all types of school activities. But upon resumption of classes, we were able to have a new activity called IFEL (Inculcating a Flair for English Language). The performances of the students were quite satisfactory, and all felt that this was a very enriching activity. In the coming academic year, we hope to have the same activity for both English and Assamese languages. A number of other special activities will also be planned for the new academic session.
3. **Result & Readmission:** The results for the academic year 2020 - 21 will be given out on the dates given below. If there are any school fees to be cleared, it must be done before the publication of the result. As before, the Readmission is to be done by paying the Yearly Fees and the Monthly Fee for April 2021.
